

The Start of Something

Good!

Client Testimonials

Mitsubishi Engine believes that when you start a business relationship with us your at the start of **Something Good!** **Reliability, Customer Service, Expert Knowledge and Experience** are all factors in a relationship with Mitsubishi...here is a great example of such a relationship!

Roderick Washington

Rodrick Washington is the Operations Manager at Houston Marine Service:

Rodrick recently stated:

"The Mitsubishi Engines have been a great success here at Houston Marine. We now have all (4) of our Inland Boats using Mitsubishi Engines. The engines have given us more power and they have significantly reduced our fuel consumption and eliminated oil consumption. In fact, if I see a Mitsubishi engine using oil, I tell my staff to go down to the boat and look for a leak, because Mitsubishi Engines don't burn oil"

HMS America

Boat Specs:

Year Built: 1981
